

Technical data:

Product properties

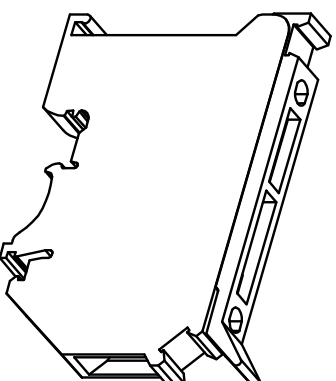

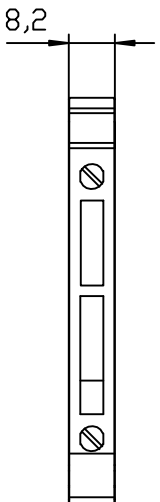

1. Product type: Fuse terminal block
2. Number of positions: 1
3. Number of connections: 2
4. Number of rows: 1
5. Potentials: 1

Electrical properties

1. Nominal voltage: 24V
2. Rated surge voltage: 8kV
3. Nominal current: /
4. Maximum load current: /
5. Nominal cross section: /
6. Overvoltage category: III
7. Degree of pollution: 3
8. Operating temperature range: /
9. Flammability rating according to UL 94: /

Connection data

1. Conductor cross section rigid: /
2. Cross section AWG: /
3. Conductor cross section flexible: /
4. Conductor cross section, flexible AWG: /
5. Stripping length: 8mm

Total Pitch Tolerances in mm	Nominal dimension range in mm	Tolerance
